Cheshire Blend Breakfast Tea

A lovely sturdy brew, perfect at any time! Our Breakfast tea is our only bagged tea.

Assam

Brisk and malty black tea with a bright colour and a touch of fruitiness

Lapsang Souchong

The Lapsang leaves are smoke-dried over pinewood fires taking on a distinctive smoky flavour and rich colour

Earl Grey

Black tea leaves blended with oil of bergamot and beautiful blue corn flowers for a delicate scented tea. Beautiful with a slice of lemon.

Darjeeling

A thinner bodied black tea with floral aromas & slightly sweet taste, wonderful in the afternoons and perfect with a little cake!

Green Tea

High in anti-oxidants and thought to provide many health benefits.

Rooibos (Red Bush)

A naturally caffeine free tea from South Africa. It is said to assist with the reduction of nervous tension and allergies. Slightly sweet and nutty flavour

Decaffeinated (Black)

A tasty, black tea which is de-caffeinated using a natural CO₂ process

Floral, Fruit & Tisanes

Together Mint

Containing both peppermint and spearmint with delicate blue cornflowers, this is the ultimate mint tea! Refreshing and light, and known to soothe stomachs.

Lotus Rose Petal

A sumptuous black tea infused with the elegant scent & taste of real rose petals

Spiced Apple

A delicious apple experience. Feisty cinnamon, pepper and cardamom ensure a crisp characterful tea with a light apple finish.

Camomile & Mint

Whole camomile flowers and peppermint leaves give this tea a beautifully refreshing and balanced taste. The perfect tea to help relax the mind.

Red Berry

A mix of berries, apple, hibiscus petals and a touch of citrus give this tea a bright colour and heady fragrance – beautiful!

Passionfruit, Guava, & Mango

A taste of sunshine! A super fruity, tropical green tea

Speciality Teas

3

Oolong

Translating to Black Dragon tea, it is oxidised and then curled and twisted. Rich in polyphenols it is thought to help keep the heart healthy and aid general well-being

White Tea

Taken from the delicate buds and young leaves of the tea plant with minimal processing. This tea contains significantly more anti-oxidants than even green tea and historically was reserved exclusively for the wealthy elite. A beautifully delicate cup of tea

Vanilla Chai

Our house blend chai, lightly spiced and blended with heady vanilla. Traditionally drunk sweetened and with milk

Cherry Sencha

Wonderfully smooth sencha green tea with subtle cherry notes, blended with rose petals, this is a real delight

Butterfly Blue Pea Flower

A refreshing tisane using whole dried flowers creating a gorgeous deep blue tea. Release its magical colour changing properties by adding lemon...beautiful!
